

WORK HISTORY

(2008 – CURRENT)

Mentor Creative Group (2015 – Current)

Seattle (Pioneer Sq), WA — mentorcg.com

Designed user platforms within a scrum workflow providing: wireframes, layouts, interactivity, prototypes (interactive/video), assets for web, userflows, visual design, redlines, etc.

Revolution (2010 – 2016)

Seattle (South Lake Union), WA — getrevolution.com

Designed multiple types of print materials to be kitted inside marketing packages for events & kiosks; for mobile applications and devices; logos for business groups & events.

Watson (2014)

Seattle (Downtown), WA — watsondesking.com

Designed multi-page (print/digital) documents for full-sized product brochures to serve as both downloadables (with interactive pdf functionalities), and as printed material.

RN2 Creative (2012 – 2015)

Seattle (International District), WA — rn2.co

Primarily designed websites, business cabinets, book interiors, and logos for the non-profit community, and also for: realstate, hygiene & health, and lifestyle focused clients.
